Subject: Petition to Reconsider
Re: Patent #6,770.454
App #09/826,045

Dear Examiner Creasy:

Please accept this petition to reconsider the dismissal of our "petition to accept unintentionally delayed payment of maintenance fee in an expired patent" (mailed February 19, 2009).

We have perfected the flaw in the petition by enclosing Form PTO/SB/66, which contains the signatures of all three inventors.

We have also included the change of address form which contains the signatures of all three patentees.

I have also included the credit card payment form authorizing the payment of the \$400.00 fee.

Very truly yours,

Sean M. Reilly, Inventor

WARNING:

Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a petition or an application. If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTO-2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.

8. STATEMENT

The delay in payment of the maintenance fee to this patent was unintentional.
